TNR4-2015 Bill and Linda Kozak Access Agreement and 2017 Data Collection 6.19.2017.pdf

Good Afternoon,

Action Item # 7: USGS access for slug tests, water levels, and geotechnical surveys

The attached letter was sent to Bill and Linda Kozak on Friday. A follow-up call was made today, and a message was left on Bill and Linda's voice answering machine.

Subject: tech meeting notes, 09 June 2017

All: I attached a summary of the discussion Friday morning, regarding additional Haskell Lake well installations recommended to WDNR by EPA and LDF. The 4th Thursday (22 June) was suggested for the next tech meeting. There was also some discussion of manager meetings to address different issues, but no dates were offered. Please confirm or arrange dates for either meeting and inform appropriate attendees. Thanks.
